

Basingstoke breast cancer self-help group meeting

17th July 2018

Chairman: Angela Bennett

Treasurer: Renee Smith

Minutes: Lyn Nelson

Fundraising: Joyce, Isobel, Joanne and Pat

Website: Paula Searle

Minutes of the last meeting were verified as a true record.

The meeting started with our guest speakers Tracy Street and Liz Crane who work for Macmillan Cancer Support. They visit support groups and help set them up. They also give help and advice to people going through cancer.

The ladies who went on the Watercress Line on 10th July very much enjoyed the lunch that was served during the journey. They had an enjoyable ride to Alton and return to Alresford.

The Basingstoke Canal trip is on 27th July. The boat leaves Odiham Wharf at 7pm. Fish/chips, chicken/chips will be brought to the boat before we leave.

There will be a skittles evening on 21st August at Basingstoke Conservative Club in place of the normal meeting. There will be a buffet meal served during the evening and a raffle. This has kindly been organised by Renee.

The group's cake sale will be on 19th October at Basingstoke and North Hampshire Hospital at the Health Information Point. This will be discussed further at the next meeting.

Angela asked the group if we would be interested in a speaker who will talk about bowel cancer. The group has said they would be interested.

The meeting finished with a raffle.
