Meeting

The Tesco scheme "Bags of Help" finishes end of June. Angela said that we had done well with the tokens but will have to see if we have been lucky.

The trip to Ashe Park organised by Ann Knight was a great success. We had a tour round the lovely gardens and afterwards we were served tea/coffee and cake by Laura Hazell, the lady of house. All proceeds went to The Kingfisher Trust.

The meeting on 27th August will be a Skittles evening to be held at Basingstoke Conservative Club. Renee has taken a list of names who will be going.

Doreen is organising a fashion show at The Edinburgh Woollen shop at The Avenue Nurseries in Lasham in aid of our group on 30th September.

The group held a fundraising strawberries and cream with glasses of Pimms, and homemade punch, which was a great success.

Renee organised a quiz to finish the evening that was a brain teaser.

We also had a raffle.

Addendum

The group will be changing banks because of the closure of the Royal Bank of Scotland branch in Basingstoke.

It was agreed that after some discussion and the promise of a sum of money if we move the account, we will be moving to the Metro Bank branch in Basingstoke.
